GERMANS COMMENCE GENERAL OFFENSIVE MOVEMENT FROM MOUTH OF YSER TO RIVER MEUSE

While They Have Compelled the Allies to Give Way in Places They Have Lost Positions Themselves in Others—Austrian Army Has Sprung Into Life Again and is Attacking Russian Wing—Nothing Decisive Until Some Army Has Been Destroyed

By Bulletin Leased Wire. LONDON, Oct. 23.—The Germans have started their offensive movement along the line extending from the mouth of the River Yser to the mouth of the River Meuse, and while they have compelled some of the Allies to give up their positions, they themselves have lost positions in others. While there has been no battle, reports coming this evening from the front say that the Germans are

The battle of Tannenberg. East Prussia. Drive Germans Back. In the present battle the river Yser, the British have scored an important victory in which many prisoners headed files and advanced through Arres, La Basses and Armentieres.

The allies have advanced at least 10 miles and are now at Essey, about 10 miles west of Arras. They have won some ground, but the French alone had a battle in which they were repulsed.

The German attack was today particularly severe in the west, where they right and left, reinforced by fresh troops, attempted an advance along the line of the Yser, the entire enemy line being driven back.

The Austrian army, which yesterday was reported as having been beaten in the battle of Gailici, has sprung into life again and is attacking the Russian wing.

The Austrians have been successful, but the French alone admit that they have been beaten in full force.

Generally, in this situation, the swinging and swaying of the lines being the dominant factor.

No decisive Battle Yet Fought. Although it has last two months now been the allies' turn to give way, the French have frontier to oppose the German advance and the invaders have been compelled to give up, in interval, no decisive battle has been fought, except that the Belgians have been partially destroyed in an army.

In the Belgian army, however, the Germans have been beaten in the battle of Antwerp, and the French have been beaten in the battle of Armentieres.

The Germans claim of victory over the French in the battle of Armentieres, in which the Germans are attempting an advance along the line of the Government of Gravelines, to the east of Armentieres, in order to surround and compel the Russians to retreat.

The Belgians, however, have brought the beligerents in that direction, and although an army is still engaged, one or more of them is too exhausted to fight further.

The latest news is that it was said that the German cruiser Kaiser Wilhelm II, the German commander, has been captured by the British, and the German cruiser Koenig, which was captured by the British, was also captured by the Germans in the Atlantic.

HARD ATTACKS AND COUNTER ATTACKS WITHOUT RESULT

Assaults Have Not Effectively Any Notable Change in Position—Germans Fail to Capture British Ammunition Convoy—Results of Day Regarded as Favorable to Allies

By Bulletin Leased Wire. LONDON, Oct. 23.—(12.15 a.m.)—Watching each other's every move in order to take advantage of the other, the two great armies continued violent attacks and counterattacks throughout the night and today, according to statements made by officials in various sections of the battle-line. These assaults did not end with the capture of the British positions, although the allies were compelled to give way a little at La Basses and Armentieres.

Generally, the allies also the fighting was very fierce, and the allies gained some more ground.

A German Bugle Two officers in the British army, the day before, had half the motors belonging to an ammunition convoy as they were captured by the Germans at Armentieres, who supplies "Hail, Britain," the bugle call to the command given to the convoy.

The bugle is in command word and speaks to the two officers, who were driving the vehicle, when a few hours passed, the captain noted that the man who had issued the orders to blow up the vehicle had been hit by a bullet and had stopped his revolver and shot him. The bugle sounded again, and the Germans were still the allies were compelled to give up the vehicle.

In the early morning, the Germans were again in evidence today, but the invaders made no progress, and the British held their own, and some more ground.

General cavalry appeared a short distance away.

The British captain then ordered

Peps
What are they?

Peps is the name bestowed upon a new scientific preparation just up to date in the art of medicine. It provides an entirely new and effective treatment for coughs, colds and grippe.

Did it never occur to you as persons that when you have a cough or grippe, when you are in trouble, you should apply medicine—not to your lungs, but to your stomach?

Look at it the other way round. Suppose you suffered from some disease which required medication or alteration. How strange you would think if it were asked to take the medicine in, while it were to be breathed in, when it was to go to your stomach, not to your lungs and heart!

Peps—this newest remedy for coughs, colds and lung troubles—go to the lungs, pure, broken tubes direct. It smells like pine fumes, and certain highly beneficial medicines are specially prepared by the new method—broken and then condensed into tablets. Peps is like making a breakfast egg sandwich.

You put a few tablets in your mouth, and it dissolves! As it does so, the healing essence it contains turns into vapor, and you BREATHE IT IN, directly to your lungs and all passages.

Just as the outdoor treatment for rheumatism and similar diseases—now added to be the only rational treatment, so the Peps treatment for coughs and lung troubles is the only rational home treatment.

Peps—coughs, bronchitis, sore throat, tightness or aching across the chest, difficulty in breathing, tight cough, asthma, asthma, laryngitis, smoker's throat, etc. Best for children, because it comes from opium, morphine, or any poison.

All druggists and stores sell Peps at 5¢, a box or 3 for \$1.50.

THE GREAT RECALL.
Bones of the Free, the Motherland's
Needing You back in the land of your
birth!

The great clouds of battle are gathering
near her.

Three thousand souls with destruction
and death;

Can you bear it? Unheeding, and let a
second strain come?

"Plaint holds his bar in her face?"

"The bar of your fathers, the true home of
freedom now dead in her head in disgrace?"

Sons of the Free, the fierce foeman

Approaches with hatred the land of

the bar, and who will defend her—the mother

the land that is fairest, on earth.

Have you forgotten whilst wandering

Your home is on Britain's fair shore?

"Nay, but I am here, in them, they're
coming aye, coming."

Bones to the Free! You never have
failed him, nor he us,

Fallen in n' cras the land, of your

pects you—yet many people still retain the old-fashioned

idea that imported goods are best.

SATURDAY, OCTOBER 24, 1914.

The press bureau should be rechristened. It is a suppression bureau.

The unselfishness of the Turks may be due to jealousy lest the German general staff deprive him of his long-held laurels as the prize warrior of the world against women and children.

Clearly the Minister of Militia and other officials who the Alberta Herald has shot up the Journal. The former may or may not be guilty of treason. The latter is certainly arraigning the Minister on a charge of cowardice.

In this issue appears a poem entitled "The Summons," by Wilfrid Campbell of Ottawa. The poem meets the occasion well. It is worthy effort, and can cause no harm to Canada's best vital and appealing poet. It puts in words what many feel, but which only the poet can express.

A Berlin military expert estimates that the allies have lost three-quarters of a million soldiers. To complete his statistics he should also make mention of the number of non-combatant men killed in Belgium, and the number of women, children and wounded maltreated in pursuance of the terrorizing policy of the German general staff.

If the Federal authorities do not deal with the Alberta Herd for treason, it will be either because it is not guilty or because it is treated more leniently than was the Saturday Post of Winnipeg. If the Saturday Post, which demonstrates beyond argument that Messrs. Tweedie, Ewing and the Opposition members in the Legislature falsely accused the Provincial Government of conniving at treason in not taking such action.

Perhaps after the "culture" to which our army has been subjected, British universities and American universities and French universities will cease to land and magnify the alleged superiority of German schools of learning, and will go in for giving their students the best education this world has to offer without the necessity of any finishing course "made in Germany."

The hand of the Kaiser has not monopoly of brains. It is time to demonstrate the fact in educational matters as effectively as it has been demonstrated in diplomacy and is now being demonstrated in military affairs.

The Indian troops have not yet been put into the fighting line. That a considerable force of such excellent soldiers have been given time to recover from their long wear and to become accustomed to the European climate indicates that the allied armies have not been desperately pressed for men in carrying out their extension movement up to the Belgian coast. It does not, of course, mean that the forces now in the field are sufficient for the task of beating the enemy, but it does mean that they have been able to hold the enemy without drawing in the last available man, and gives confidence that they can continue to hold him until the reinforcements necessary to oust him from his position have been recruited and got onto the scene of action. The moral is not that recruiting may proceed leisurely, but that if it proceeds as rapidly as it should the next advance of the invaders will be reward.

Dispatches now report that British forces are in the neighborhood of Lille, where terrible fighting has been going on for a week. They seem to have the same old knack of getting into the thickest of it.

Municipal election day is approaching. In consequence the ruling majority in the council are showing a disposition to forget their differences and to get together on the you-scratch-my-back-and-I'll-scratch-yours basis. It is time for the rate-payer to sit up and take notice.

The Trafaulay day celebration in London was used as an opportunity to make a special appeal for recruits. That does not seem to indicate that recruiting in Canada has to be held back through fear of swamping the war office with more men than it can handle.

Hon. Robert Rogers says that as far as he knows there will be no Dominion election before 1915. It may be assumed that Mr. Rogers knows if anybody does. Whether he is speaking in accord with his knowledge or in contradiction of it, there is no telling. The circumstances rather bear out the supposition that on this occasion he may be telling the truth.

"Produce something" is the slogan of the Canadian Credit Men's Trust Association. It summarizes the helpful philosophy of the hour. The extent to which it becomes the working maxim of the individual will determine how severely the war will affect Canada financially, industrially, and commercially. In a pamphlet emphasizing the maxim the association presents the situation in this way:

"During the past two years the commercial atmosphere has been cleared and we are now in a position to make a real contribution of our great possibilities. Our farmers owe less money. Our wholesalers owe less money. Our manufacturers have had no hard time ever.

We have now the opportunity of demonstrating our industrial and financial maturity of the Empire. Present profits will be maintained and future products will be maintained and extended into new markets.

This extended market will supply a very largely increased amount of demand and build up the prosperity of the country again. Every man in contact to properly prepare a larger acreage this fall will be in a position to equip himself in every way to grapple with the difficulties of the coming winter.

The difficulties arise as the outcome of the present European struggle. The last two years have less been learned whereby the English and French have taught to show greater caution and conservatism in the extension of credit and in the investment of capital in value.

If each individual has been compelled to give up his hobby in his own particular occupation, laying aside outside speculations, recent as well as present experiences are of great assistance in this regard.

It is the opinion of the association that Messrs. Tweedie, Ewing and the Opposition members in the Legislature falsely accused the Provincial Government of conniving at treason in not taking such action.

The Federal authorities do not deal with the Alberta Herd for treason, it will be either because it is not guilty or because it is treated more leniently than was the Saturday Post of Winnipeg. If the Saturday Post, which demonstrates beyond argument that Messrs. Tweedie, Ewing and the Opposition members in the Legislature falsely accused the Provincial Government of conniving at treason in not taking such action.

KIDNEY DISEASE CURED BY "FRUIT-A-TIVES"

Father And Son Both Owe Their Good Health To The Healing Qualities Of The Only Medicine In The World Made Of Fruit Juices.

H. DORLAND, ESQ.

Brenton, Ont., Oct. 21, 1914.

"For about 15 years I was troubled with Kidney trouble. I was never confined to my bed with the trouble, but it affected my voice and I had great difficulty in breathing. I took all the advertised remedies that did not do me any good. I saw 'Fruit-a-tives' advertised and decided to try them. They did me more good than any other remedy. I would advise anyone suffering from Kidney or Bladder Trouble, to use 'Fruit-a-tives'."

H. DORLAND.

"Fruit-a-tives" acts directly on the kidneys and bladder, reducing inflammation and stopping the pain. But it does more. It prevents the formation of an excess of uric acid, by restoring the kidneys, bowels and skin to healthy action. When these three great eliminating organs are in proper condition, there can be no acid to form and irritate the nerves. "Fruit-a-tives" can be an acid to remove the acids formed in the body.

"Fruit-a-tives" relieves the heart, regulates the lungs, clears the skin and cures every trace of Backache, Kidney Trouble, Rheumatism, Sciatica, Lameness, Neuralgia and Chronic Headache.

See a box, 6 for \$2.50, trial size, 25¢. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

THE SUMMONS.

Britons, along the mighty world's highway,

Walk on and throng, from mart and field and field and gien;

Now hounds that day of wrath, the world's dread day

Prophesied of old by ancient men;

Arise! Arise!

From every corner of the tenning earth,

Answer and gather—to her banners come!

Threw down the dirty or the dice of mirth,

Responsive to the ominous battle-drum—

Prepare! Prepare!

This is no hour for hesitating doubt,

Self-interested greed, or base ambition's dream—

The grim red wolves of earth's worst war are out,

The iron menace and the baleful's gleam.

Enlist! Enlist!

The sergeant has against my martial ways,

Would hurl his scimitar of pumphy of steel,

Across the world are heard the hosts' boasts.

O'er Europe's lands his awful cohorts reel.

Arise! Arise!

Waken, if ye waken to any cause—

Now strike your bough, to conquer or go down;

To win for freedom, justice and God's laws,

Or sink before the cruel despot's crown.

Arise! Arise!

Go forth and fight; as thy fathers went.

Who never let a great cause thunder down;

Whose warlike, wide, on each fair continent,

Of Britain's ancient honour and renown.

Go forth! Go forth!

Go forth and fight; nor will you strike alone;

Earth's valiant ones will battle by your side;

And strength of all that strength your cause shall own,

The Lord of Hosts will in your vanguard ride—

Toward earth's high dome.

—WILFRID CAMPBELL.

AMBITION PLAN TO CAPTURE WARSAW FAILS

London, Oct. 22, 11 a.m.—The German advance on Poland has been transformed in some parts into a general encirclement of Warsaw, according to a correspondent of the Daily Mail.

The German cavalry, sent from Novosyolovskow, which crossed the Bug river, and the German 10th army, which has been sent to the rear of Warsaw, have cut off the city from the rest of Poland.

General WAGHORN CHASED

PARIS, Oct. 22, 11 a.m.—French General Waghorn, who was sent to the front to command the 10th army, has been captured by the Germans, but a squadron of French cavalry has succeeded in rescuing him.

VARIETY BILL PLANNED FOR PANTAGES NEXT WEEK

Pantages Theatre's offering for next week will be a variety bill combining dancing, acrobatics and music. The house is to be given over entirely to what is welcomed. Walter S. Howe and company will soon present "In and Out" and "The Girl from the North Country." Emerson Brownie. The act is not now known, but it is to be a comedy. It is one that can be seen again and again without tiring. The character of the girl is that of a gentle country girl who goes into the world houses with her mother, and after the performance of the "singer" who receives him, she goes home again with her mother and a friend. The act should repeat.

Larry Comer, the baritone Beau Brummell of vaudeville, will be seen in a solo. He has a rich, full voice and some good songs. Comer has a rich background in musical theatre and a repertoire of songs. His line of talk is good and he is a good comic. A recitation entitled "A Woman's Eyes," which is gaining him some notice.

The dancing end of the bill will be taken care of by the "Waltz Girls."

"They will be seen in a variety of dances, in a pleasing way, but their specialty is dancing. The music will be conducted by the famous band of the "Waltz Girls."

They will present the "Musical Diary."

This is a variety act consisting of all the different animals and incidents of a farm life.

Then the couple will render some strange harmonies and music on strange instruments.

Then comes a whirling, acrobatic act, the "Gymnastic Girls."

The Ten Tom Amazons, Acrobats are to be seen in a variety of acts showing strength and agility, which are quite amazing. They are called as the "admirable acrobats" because of the fact that the troupe is above the ordinary.

Mr. and Mrs. H. C. Parker, pictures with some more timely views, which will complete the performance.

SUNDAY NIGHT AT THE IMPRESS

The Citizens' Band will play the following program at the Empress Theatre, eight o'clock and continuing until 9:30. "The Star Spangled Banner" will be followed by Mr. Robertson and vocal solo with piano accompaniment. "Music of America," Thurman, fantasie, "Carries," Blset; reverie, "Rheine," Depe-

THE MUSICAL THEATRE OF THE SEASON COMING

The popular musical theatre, now returning to the Knights of Columbus, announces on the event of their return to the stage, that they will be fresh in the minds of the people, and that they will be back again in November to miss hearing them.

It is the announcement of their appearance again at the Edmonton Auditorium, November 12th, the second week of November. Under the direction of Mr. J. E. McPherson, the League three performances will be given, namely, Friday night, Saturday

evening and Saturday night of November 13 and 14, respectively.

The proceeds will be devoted entirely to the Knights of Columbus, covering all that the Welfare League has done for the welfare of the Knights to make their success should receive a generous response.

Each performance will be in the room only sign should feature prominently.

Under the capable direction of Jos. Murphy, the League has been seen to forth and such names as Murphy, Roche and McPherson figure prominently in the list of performers.

Real good coast songs and lively reprises will be rendered by the League, and every one knows just how funny the Chapman is—he doesn't even try to be.

As in such well-known and favored varieties as "The Purple Rose," "Plumy," "Lily," "Lily," "Lily," Wilson give promise of the Chapman.

There is not a single mark of the Chapman in the list of the League, referring to the previous show, which was at the time acknowledged to be the best ever given by the League.

It is the League's hope that one may safely say that it will be far easier to get into the Auditorium than to get into the League's performances, which will be a bluster and better show in every respect.

As in such well-known and favored varieties as "The Purple Rose," "Plumy," "Lily," "Lily," "Lily," Wilson give promise of the Chapman.

Eastern Rugby Schedules Reach Half Way Mark With This Afternoon's Contests

Hamilton Tigers Have Opportunity to Win Their First Game at Ottawa Since the Big Four Was Organized—Lugard Will Have Tough Game at Montreal—Manitou and Saskatchewan Titles May Be Settled Today—McGill Plays Queen's University at Kingston

Todays' games in the three eastern football unions will see half the schedule completed, and will give a pretty fair idea of what the final results of the championships. The provincial championship of Manitoba and Saskatchewan will be decided this afternoon. At Regina, the Western Canada team will play the Manitoba team, and will pit personal champion Wm. A. Woods against the Rowing club. The Tigers, led by the coach, will play the Empire team, and the Tigers will be the champions if they can score 10 points or more. The Rowing club deserves great credit for its work in striking out the season's record, without dressing rooms, without a training room, and with only the ordinary accessories of a football club.

Games For Today. The most important games scheduled for this afternoon:

Saskatchewan Union—University of Saskatchewan at Regina
Montreal Rowing Club vs. Winnipeg Tigers
Intercollegiate Union—Argonauts at McGill, Ottawa
Intercollegiate Union—Metrop. University, Toronto
Ontario Rugby Union—Ottawa at Hamilton Rowing Club
Edmonton Rowing Club—University of Alberta vs. Victoria, Tigers

There is an opportunity for some history-making in the Big Four today, for the first time since Ottawa it will be the first time they have met. The Ontario and Quebec provincial teams were organized. If Montreal wins on its home ground, the Ontario team will be the champion. The Rowing club will look like the 1915 champions again if they can repeat in seven years. In spite of the fact that the Tigers, a 1 to 1 favorite, are the best team in the west, Argon last Saturday, the Jaffrey Terriers, who had been beaten in their week's defeat, according to Toronto exchanges, was due mainly to the fact that the Rowing club had a bad judgment, and "hanged" the ball through the hands of the coach. Once did he give his side kick. McKeary one of the greatest running half backs in the country, has been panned in seven years. In the last five minutes of the game, the Rowing club, who had both the Ottawa and Hamilton teams to the side-lines and the team abandoned the field, and it appears that the way of tricks still had not come to a full victory their way. The game will be decided Saturday, October 27, at the Victoria stadium, with the home team a prevailing favorite. The Rowing club's unexpected strength at Hamilton, may prove the secret of the day.

League Standings. The following are the standings in the eastern football unions:

Toronto's Winners (?)

Last week the Bulletin picked four winners out of six, falling down in the case of the Intercollegiate Union and Rowing Club—Tigress, St. George, and Rowing Club, and the Intercollegiate Union and Rowing Club, respectively. The two former were the subjects of much discussion, and the two latter, with the home team a prevailing favorite, were the subjects of unexpected strength at Hamilton, and may prove the secret of the day.

JACK FOURNIER LOST MUCH COIN FOR W.S. FANS

White Sox Supporters Waged \$12,000 Frenchman Would Out-Hit Sisler in City Series

Jack Fournier, the "Clapping Frenchman," a member of the Major League baseball team in 1913, lost a lot of money for the fans in the recent Chicago city series. Before the game, he bet \$12,000 that the abilities of the rival first-sacker, Paul Sisler, would be the subject of much discussion, and the two leagues became so excited real coin of the realm.

A west "Irishman," Mr. Smith Woods, bet \$12,000 that the White Sox, and cleared the net sum of \$12,000. Sisler, salary \$32, while Fournier earned \$10,000, while the average salary of \$23. Baseball gamblers in general believe that the number of bets being made at even money odds, and estimated that \$25,000 was bet on the fast game alone.
